Year 4 Immersion Day

Ancient Egyptians

On Tuesday, a time traveler visiting East Dulwich would have been very confused, as the school was full of Ancient Egyptians and archaeologists! It was Year 4 Ancient Egyptian Immersion day. The children started the day by parading in their costumes, before playing some Ancient Egypt themed games: Describe the Hieroglyph, Mummy Relay and Crossing the Nile. Next we split into two groups. One group went on an archaeological dig and one group mummified oranges, before switching over after lunch. The children unearthed canopic jars, Egyptian death masks and scarab beetles. Our mummified oranges have been wrapped in bandages and left in a tomb for future generations of Heber children to unearth! Our next task will be to create our own canopic jars using jars brought in from home and papier-mâché.
