## Website Accessibility Statement

Heber Primary School is committed to ensuring digital accessibility for people with disabilities. We are continually improving the user experience for everyone and applying relevant accessibility standards in line with the Web Content Accessibility Guidelines (WCAG) 2.2.

### Accessibility Statement for Heber Primary School

This accessibility statement applies to: <https://www.heberprimaryschool.com/>

### Compliance Status

Despite the partial exemption for schools, we strive to ensure our website conforms to WCAG 2.2 accessibility standards. This means that our website aims to be:

- **Perceivable:** Information and user interface components are presented in ways that users can perceive.
- **Operable:** User interface components and navigation are operable.
- **Understandable:** Information and the operation of the user interface are understandable.
- **Robust:** Content is robust enough to be interpreted by a wide variety of user agents, including assistive technologies.

### Measures Taken to Improve Accessibility

To enhance accessibility, our website features:

- Use good colour contrast ratios.
- Avoid flickering content.
- Use headings to structure content.
- Use simplified website design.
- Add labels and titles to forms – including being able to ‘tab’ to the next line.
- Avoid using tables as content layout.
- Provide multiple ways to contact our school.
- Inform users how to receive hard copies of materials on the website.
- Offer users assistance in completing forms, by contacting the school.
- Regularly test and improve web accessibility.

### Non-Accessible Content

Despite our best efforts to ensure accessibility, some content may not yet be fully accessible. This may include:

- Closed captions videos.
- Keyboard only navigation.

*All belong, all achieve.*

- Use better descriptive link text.
- Provide image alt text.

We are working to improve these areas of our website to make it accessible for all. If you encounter any issues, please let us know so we can work to improve accessibility.
