This week at Heber...

Issue number: 30 Friday 13th June 2025

Another busy week at Heber has drawn to a close! Huge well done to all of our Year 1 and 4 children who completed their statutory Phonics Screening Check and Multiplication Times Table Check (MTC) respectably this week. Both year groups tackled the assessments with such a positive attitude and made everyone at Heber proud. Results from the Year 1 Phonics screener will be shared in the children's end of year reports. Whilst there is no pass mark for the MTC, Year 4 parents will find out individual results in their child's end of year report. Heber was also picked for Year 6 Writing moderation this year (lucky us!) – this process is to ensure consistent and robust teacher assessments across the borough. The moderators visited this week and were really impressed by all of the children's writing in Year 6. Huge thank you to Ms Farrelly and Mr Adams who led the session with such expertise.

This week in the Art room...

Year 1 have enjoyed planning their 'Fantasy Vehicles' for their London Calling' topic.

Year 4 worked hard on their observational drawing skills when sketching the school building and school house outside.

Year 6 were looking at colour theory this week in preparation for the advertising of their own product.

Reception Art club had great fun making some Kandinsky style sculptures.

Sports Report:

Cricket Report – Summer Fun at Alleyn's

Summer has arrived; we hear someone cutting grass and the scent of it travels on the afternoon wind carrying feint hint of coming rain. In the distance a cicada sounds, and then we hear the traditional sound of willow on leather (too poetic! Tone it down!)

Cricket Report 2– Summer Fun at Alleyn's

You know summer's here when you hear the thwack of a soft ball on a blue plastic bat and the sound of children laughing across a green field. That's right – it's T-ball cricket season!

Catering Survey

Our Catering provider, Caterlink, have asked us to share a Parent/Carer survey regarding their service. The survey will close on the 31st July. Please follow the link or scan the QR code to take part.

Music Concert

Yesterday saw the conclusion of our series of three Summer Music Concerts, and this time it was Year 3 and Year 6 who took to the stage. What a varied programme we were treated to! From solo singers singing country, pop and classic rock, to virtuoso guitar and trumpet performances! That's all without even mentioning class and year group performances showcasing the children's instrument learning in the recorder (Year 3), and the ukulele (Year 6). A special performance from the school choir rounded off an entertaining finale to our Summer Concerts this year.

A special thank you to Miss Grace, our talented Music teacher, who engineered an opportunity for every single child from Years 1 to 6 to perform in the concerts over the last two weeks. I am sure you will agree that, at the very least, our Summer Concerts have been a testament to the fantastic job she has done teaching our children Music over the course of this year.

Here are just a few of the highlights from this week's concert:
