## Eco Committee Competition Prize

Issue number: 6 Friday 18<sup>th</sup> October 2024

Way back in March, our Eco Committee entered a competition to design the tastiest plant-based burger....and in June we found out that we had won! This week it was finally time to enjoy our prize and what a brilliant experience we had.

On Tuesday, we welcomed chef Andy and Olympic medallist Hollie Pearne-Webb to school to lead our Eco Committee in a cooking workshop. Once the children were all dressed in their matching green aprons, they were able to demonstrate their chopping skills, preparing all the 'extra' bits for their burgers. The best bit was, of course, assembling all of the ingredients and eating our creations! The children asked Hollie some great questions in between mouthfuls and even got to try on her Olympic medals! Just when the children thought the fun was over, it was time for the blind food taste! Could they taste the difference between the plant based and non-plant-based food?

Thank you to Birds Eye UK for a memorable experience. We can't wait to see what the Eco Committee achieves this year!

## Farewell to Tina

After 9 years working at Heber, Tina Hobbs will be leaving us at half term. Tina has been an invaluable member of the Early Years team working as an Early Years Educator and has had an immeasurable impact on the children and families she has worked with. On behalf of all at Heber, I wish her all the very best in her future endeavours.

## Poppies

From next week, keep an eye out for our Prefects who will be selling poppies before and after school in the school playgrounds. Thank you in advance for your support!

## This Week in Art

It was a rather messy but productive week in the Art Room this week!

Year 2 enjoyed creating some digital art using photographs of the school building, taken on the Ipads, and editing them in Pic Collage. These were inspired by another one of the artists from their Art Heroes topic: Morag Myerscough.

Year 6 enjoyed getting thoroughly messy with beginning the creation of their Mayan masks using Mod roc.

Year 1 created some fantastic Fernand Leger inspired painting for their Bird's Nests mark making topic.

House Points	Rigal	Mycroft	Valdez	Ndume
<b>This Week</b>	740	745	747	750

## LINK AGE SOUTHWARK Christmas Gift Appeal

Calling Heber families! Can you help to spread a little Christmas cheer this year?

We would love our families to make up a gift box/bag for an elderly person in Southwark, who is at risk of loneliness and isolation this Christmas.

### HOW TO HELP

1. Line a gift box with Christmas wrapping paper or find a gift bag
2. Fill it with Christmas goodies like a nice jam, biscuits, gloves, a warm scarf, some chocolate or a pair of socks
3. Bring the box into school by Monday 25th November

Please do not seal the boxes. A volunteer will need to check the gifts and make sure they go to the perfect person.
