This week in the Art Room...

Issue number: 28 Friday 23rd May 2025

Year 1 had great fun making marks to different music this week, the rock music may have made the most interesting abstract pictures!

Year 3 are working really hard at perfecting their watercolour painting skills and created some brilliant rainforest leaves.

Year 6 made some eye catching posters based on the Bauhaus design movement in their Impact of Art and Design topic.

1C and 4H Buddy Reading

Last week 4H finished their incredible stories based on the 'Iron Man'. After days of meticulous typing, the children of 4H showcased their published stories to their buddy reading class, who were the lucky listeners of the thrilling tales. We hope you enjoyed the stories 1C!

4H Cricket

On Tuesday, the fearless 4H teams - the Armadillos, Bears and Crocodiles - faced off against Alleyn's in a sunny afternoon of cricket fun! After some quick-fire coaching from Alleyn's staff to help us (and Miss Hastings) get to grips with the rules, the games got underway. The Armadillos and Bears narrowly missed out on victory, while the Crocodiles held on for a thrilling draw. Spirits were high, the sun was shining and the flapjacks afterwards were a definite hit - proving once again that 4H never crumbles under pressure! Well done to everyone for showing brilliant teamwork, big smiles and boundless energy. We may not have taken home the trophy, but we definitely knocked it out of the park!

Year 1: Our Local Area

This week we continued to work on the buildings we created for our new topic in Geography all about 'Our Local Area'. Here is the step-by-step process of how we achieved '1C's Fantastic Town'. We thought of the typical buildings and shops most towns have, like supermarkets, churches, houses, the post office, a mosque just to name a few and we began from there. During the process of designing our 'ideal town' we first wanted to make a note of everything we wanted to include, then we sketched out the building designs on whiteboards and to finish we used recyclable goods to put it all together. We were very impressed with how it all turned out. Take a look!
