## Live from the White House

Issue number: 3 Friday 27<sup>th</sup> September 2024

Last Friday Year 6 had their very own guided tour of Pennsylvania Avenue. Ros Atkins, very kindly offered to lead a live assembly from Washington whilst out there reporting for the BBC. He stood right outside the White House and talked about the election process and gave us lots of interesting facts about the White House itself. He also took us on a tour of some of the other sights nearby, including the Treasury. The children were then able to ask some of their own questions, which included:

- Have you noticed more tension in the area following the recent assassination attempts?
- What is Joe Biden doing whilst Kamala Harris is trying to become the President?
- What is the difference between the Republicans and the Democrats?
- What happens in the Pentagon?

We are very grateful to Ros for such an extraordinary opportunity and we look forward to seeing him again in person in November for our next assembly.

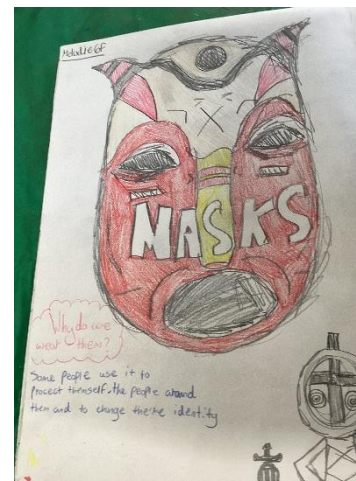

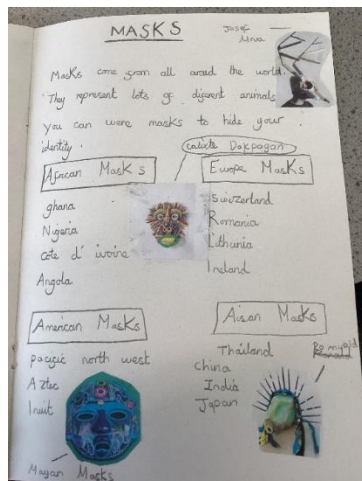

## This Week in Art

Year 2 enjoyed trying out Van Gogh's Impasto technique painting some beautiful 'stars' as part of the 'Art Heroes' topic.

Year 6 produced some excellent research for their 'Masks' topic.

Thank you to all the entries for the 'Art Welcome sign' poster. I couldn't decide, so I will be rotating them termly. This term is the fantastic work by Molly Drummond in 5K. Keep an eye out next term for the other fabulous entries!

## Year 5 Immersion Day

### How have the Ancient Greeks influenced the way we live in the world?

Last Friday, Year 5 enjoyed a Greek themed day as a lead in to our topic on Ancient Greece. We wrote our names using the Greek alphabet; created Greek pots to decorate later this term and had a Greek food tasting session. We also looked at how the Olympic Games originated in Greece and during PE we tried some ancient Olympic events. It was a lot of fun.

## Year 6 Immersion Day

### Who were the Maya and what have we learned from them?

Last Tuesday Year 6 held their immersion day on The Maya. The children enjoyed a range of activities including, making Maya death masks, playing the ancient ball game of Pok a Tok, building the tallest headdress challenge and tasting a Maya hot chocolate containing cinnamon and chili! It was a busy and informative day for Year 6!

## Heber's Amazon Wish Lists

Each phase leader has curated a selection of items on an Amazon 'wish list', filled with wonderful books and essential classroom materials that can truly enrich our students' learning experiences. From engaging storybooks to interactive resources, every item has been thoughtfully chosen to support our children's educational journey.

If you're looking to make a meaningful contribution to our school, purchasing a gift from this list would make a significant difference. Not only will you be helping to expand our classroom resources, but you'll also be directly enriching the learning environment for all our pupils.

Please take a moment to browse the wish lists, and if you feel inspired to contribute, know that your generosity will be greatly appreciated. Thank you for your continued support in making our school a vibrant place of learning!

## Year 1 Immersion Day - We are Britain

On Tuesday Year 1 had their Immersion Day as part of their topic 'We are Britain'. The children enjoyed participating in a catwalk where they showed off their fantastic outfits to the rest of the year group. We spoke about what makes living in the United Kingdom special and shared stories, photos and flags from all around the world! It was great learning about each other's families and cultures. We had so much fun!
