Immersion Day – Year 4

Issue number: 16 Friday 31st January

Year 4's new topic is 'What makes living in Europe special?' To begin the topic, we decided to take advantage of the wonderful community we have at Heber School, and invited in family members and staff who are either from another country in Europe, or who have lived in or have an affinity with another country in Europe. We were very lucky to have parents, grandparents and staff come in representing Serbia, Albania, Romania, Italy, France, Bulgaria, Greece, Ireland, Portugal, Spain and Poland. Even Mrs Kyrios' Mum and Dad came in to represent Greece! Each country had a table as a 'travel agent' and the children visited each of them to learn as much as they could. They were given passports to fill in, with a page for each country. With passports in hand, the children went from travel agent to travel agent in small groups asking open ended questions to find out as much as they could about each of the countries. The children loved the experience and learnt just how diverse the wonderful continent of Europe is. A huge thank you to all the parents, grandparents and staff who went to such an amazing effort to put together slideshows, bring in photographs, tasty foods and souvenirs from home. It is really appreciated and gave the children a great start to their new topic. In the afternoon we then we worked together on a tricky European map jigsaw, piecing together all the countries. We also researched Europe's mountains and rivers to design our own board games based on our findings, including the mighty Danube River!

Heber SEND Tips

This week's tip is about: Resources on Google Classroom

We are happy to share that we have created a Google Classroom page that will have links to a range of different resources you can do at home with your child as well as information and advice. We will continue to add on links and information as time goes by, but have already started to share links to different games and activities you can try at home. To access, all you need to do is join the page using your child's Google Classroom account with this code: 46nmv7j

Immersion Day – Year 1 'Changes within Living Memory'

On Wednesday, Year 1 were transported back in time to the 1950's. The children came to school wearing 50's attire and spent the day learning about what life was like for their grandparents when they were young. Some of the children interviewed their grandparents at home. In class we shared interviews and some fabulous black and white photographs. We found out that some of the teachers were very strict if children did not follow the rules! We even sat in twos at our tables and Miss Valentine and Miss Charles split the class into boys and girls. We spoke about what our grandparents ate for their lunch, the games they played at playtime and the clothes/uniforms they wore. We had so much fun going back in time!

News from the Art Room

Year 1 had great fun recreating their own Guiseppe Arcimbaldo 'Fruit' portraits this week.

Year 3 enjoyed making ink prints of their personal Roman coins.

Please could Year 2 and Year 5 still bring in a photo of their mother or special female for the local East Dulwich Mother's Day Portraits competition for next week.

Please could Year 6 still bring in empty clean yoghurt pots!
