## International Week

Issue number: 29 Friday 6<sup>th</sup> June 2025

We just wanted to start by saying a huge thank you to the P&F and all parents who gave up their time to organise and run International Evening. Thank you!

International Evening is always a favourite event at Heber. A chance to celebrate all the cultures that make up our lovely school and of course, eat! This year we showcased the art work that the children had created throughout the week at school. Each class looked at a different country and enjoyed learning about it in a variety of different ways – lots of classes also had visitors to talk about their country. Thank you to all of the volunteers who made time to do this!

## This week in the Art room...

Year 1 have enjoyed planning their 'Fantasy Vehicles' for their 'London Calling' topic.

Year 4 worked hard on their observational drawing skills when sketching the school building and school house outside.

Year 6 were looking at colour theory this week in preparation for the advertising of their own product.

Reception Art club had great fun making some Kandinsky style sculptures.

## Music Concert

This week saw the first two in our series of three Summer Music Concerts! The children have been working hard all year with Miss Grace, our fabulous music teacher, in order to prepare for these concerts, which displayed a range of class, year group and individual talent.

On Thursday, Years 1, 2, 4 and 5 took to the stage, with class performances using percussion instruments, djembe drums and steel pans. Several children also took to the stage in virtuoso performances, not to mention a special appearance from Year 4 band, 'The Ants'!

Next week, Years 3 and 6 take to the stage from 2.15 - 3.15pm. We look forward to welcoming parents in for this final performance of our Summer Concerts.

## \*NEW\* Heber Running Club

We are looking to launch a new Heber Running Club at school, designed to get our children moving and energised and also to develop talent in this area. The club will take place on Tuesday mornings from 8:00 to 8:45am. It will be run by parent volunteers with support from the school. Sessions will be mostly school based and include a mix of strength training, running drills, sprints, and endurance activities - all aimed at building fitness in a fun and inclusive environment. If we have sufficient adult volunteers we'd also hope to do loops around the Heber Rd/Jennings Rd block.

At this stage, we would like to gauge interest from children in Years 3-6 so we can plan accordingly and ensure we can accommodate everyone safely and effectively. If your child would be interested in taking part, please let us know by completing the Google form: <https://forms.gle/f1gz8FfDZgNFucqS7>

Once we have a sense of the numbers, we will develop a plan and share further information with you. We are also looking for additional parent volunteers to help support the running of the club. If you would be interested in getting involved, please contact the school office. Thank you for your support - we look forward to getting the children up and running!

## 5B International Week

We started off our week by drawing our own Frida Kahlo portrait which was inspired by our country - Mexico.

Mexico is a lovely country with lots of colours and culture which inspired us to choose it. On Thursday we also watched some videos all about Mexico and learnt all about their culture and all the tasty food they have there. On international day, we had lots of fun music and food which linked to our country. We even had our own 'make your own taco' station made by myself and Mary.

Later on, we ate some Mexican food which had been brought in and shortly after we took turns with the pinata that Ian made.

Overall, 5B had a great day with lots of fun, music, food and games. Adios! Written by Evie M
