Careers Week 2024

Issue number: 29 Friday 7th June 2024

Just before half term we celebrated Careers Week at Heber. This week was another example of how amazing the Heber community is. We would like to say a huge THANK YOU to those who gave up their time to talk to the children about their careers. We were overwhelmed by the number of people who were willing to give up their time.

The careers assemblies, which we were able to deliver with the support of our volunteers, enriched the educational experience for the children. It provided the students with a valuable insight into various professions, helping them make informed decisions about their future career paths.

This Week in Art

The children in Year 1 have been adding the finishing touches to their 'Dream Vehicle' designs. Year 2 have also enjoyed making their endangered animal sculptures. Can you guess which animals they made? The Year 3 Jungle pictures are looking fabulous!

School Council Fundraiser

Congratulations to our School Council who ran a very successful fundraiser for New Hope Cambodia. Thanks to their hard work and to the generosity of the Heber community, we will be sending nearly **£800** to the school! There's no stopping them now. The School Council are already planning their next fundraising event.

Music Stars

Year 1 have learned all of Three Little Birds and sang it beautifully with fantastic actions. They also started learning The Drums in the Band using drums, maracas and Triangles. Year 2 have been playing the glockenspiel. They have learned how to correctly use the beater and how to move from low notes to higher notes. This week they all played a C major scale.

Year 3 have been refining the pieces they have learned over the past term. They have been making sure they have accurate finger placement, and that they are starting and stopping all at the same time and working as a team. Year 4 are working hard on their two Djembe pieces. They are working on keeping a consistent pulse, making sure their rhythms are accurate and that there is a clear difference between their Bass and Open tones. Year 5 are making a lovely sound on the steel pans. This week they started learning chords as part of their piece called Panaman. Year 6 are currently writing their own pop songs around the theme of leaving Heber and starting a new chapter. They have composed a catchy chorus and two verses. This week they were working on an exciting Bridge.
