This Week in Art

Issue number: 02 10th September 2021

It has been great welcoming all of the school back to the art room! Especially meeting the Year 1's, who enjoyed using their fingers to explore block paint with their own work inspired by Oliver Jeffers' illustrations. Year 2,3,4, 5 and 6 illustrated their reflections and aspirations for the year through fingerprints and doodle drawing. So much imagination and humour!

Year Group Bulletins and Curriculum Meetings

At the start of each term, teachers send home bulletins that will give you a great insight into what each class will be covering and how the subjects are linked to our topics. Bulletins will be emailed home in the week beginning 20th September.

Curriculum meetings will be held by the teachers online this term. These meetings provide an opportunity for you to hear about what your children will be learning, how you can support them at home and general logistics about the school day. The meetings will take place on Google Meet and a recording of the meeting will be saved on your child's Google Classroom. A reminder of login details will be sent home in due course.

The curriculum meetings will be held at 4pm on:

- Tuesday 28th - Years 2 and 3
- Wednesday 29th - Years 1 and 4
- Thursday 30th - Years 5 and 6

Magna Wraparound Provision

Magna Groups are now running the school's breakfast and after school care, and have got off to a flying start! The energy and enthusiasm they have brought to running our provision is great to see, and the children seem to be having a lot of fun.

They have hugely expanded provision for our families from 50 to 80 children per day, and we will be working closely with them to see if this is now meeting our families' needs. For more information or to register, please [click here](#).

The Heber School Garden

Over the summer, our garden area has become a little wild! If any parents or carers can spare a little time to pop in with your gardening gloves and give it a tidy up, please contact the school office at adminoffice@heber.southwark.sch.uk

Join our Parents & Friends AGM

The P&F would like to invite you to its annual AGM on Thursday, 23rd September, at 8 pm in the Lordship Pub. Find out more about last year's activity and how funds have been invested and what the school plans are for this year's fundraising.

Moreover, the current P&F committee decided to stand down at the start of this Autumn term. A new committee will be voted in at the AGM and these are the roles that will need to be filled:

- Chair: liaises with the school leadership, runs committee meetings and oversees the organisation of events
- Secretary: prepare meeting agenda and minutes, ensure actions are executed and manage licensing requirements for events
- Communications secretary: manages communications to parents via website, social media, parent email, school newsletter and class reps
- Sponsorship secretary: work with local companies to sponsor fundraising events and activities, to minimise costs
- Treasurer: manage the charity's finances, including Gift Aid claims, pay expenses and prepare accounts for the AGM and the Charities Commission

Our P&F is about much more than simply fundraising. The P&F exists to provide closer links between home and school, and it is an excellent way to bring staff, parents and friends together socially in support of the school.

If you would like to take part in the P&F or are interested in our activity, then please join our AGM at The Lordship Pub, 211 Lordship Lane, on 23rd September at 8pm.

Heber Road Street Closure

All parents and carers will be aware that the section of Heber Road outside the school is closed at drop-off and collection times. This has had a very positive impact for our community, making drop-off and collection times safer and more enjoyable for our families. However, the scheme depends on us having enough parent volunteers to manage the barriers as the school doesn't have the staffing to handle this.

Thank you to all the parents and carers who are already helping us. If you can offer 20 minutes, even just one day a week, at drop-off or collection time to manage a barrier, please contact jchild@heber.southwark.sch.uk . We are short of volunteers with immediate effect so please get in touch if you can help.

Please remember to let us know if you are booked to manage a barrier but can't make it, so we can arrange for a reserve volunteer to help.

Enrichment Clubs

We are giving the new Magna wraparound service time to bed in at Heber before introducing an additional programme of enrichment clubs, as we are now accommodating a much higher number of children and want to make sure this is running effectively and safely. Space in school is limited, so we will be working to get the right balance between our after school provision and our enrichment clubs. We will confirm a start date for clubs soon, but this is likely to be towards the end of September / early October.

Keeping Children Safe Online

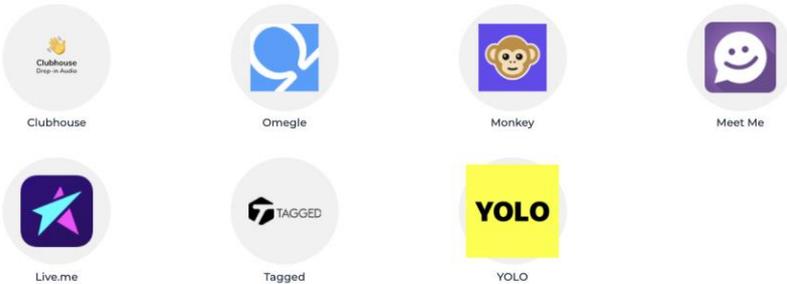

At the start of this new school year we would like to remind parents that at Heber we say 'no' to children accessing age restricted apps. As we will discuss in our Digital Citizenship lessons throughout the year, apps, websites, games and other media are given age restrictions for a reason. It is our top priority to keep children safe and this includes online. We strongly recommend that you implement parental restrictions on your children's devices and that you have regular discussions with your children about what they are doing online.

The following images show the age restrictions for various apps. If your child is under 13 they should not legally be accessing any of these apps. If you would like any help or advice with keeping your child safe online, please don't hesitate to get in touch. Additionally, the [Safer Internet Centre](https://www.saferinternetcentre.org/) offers advice for parents in keeping their children safe online.

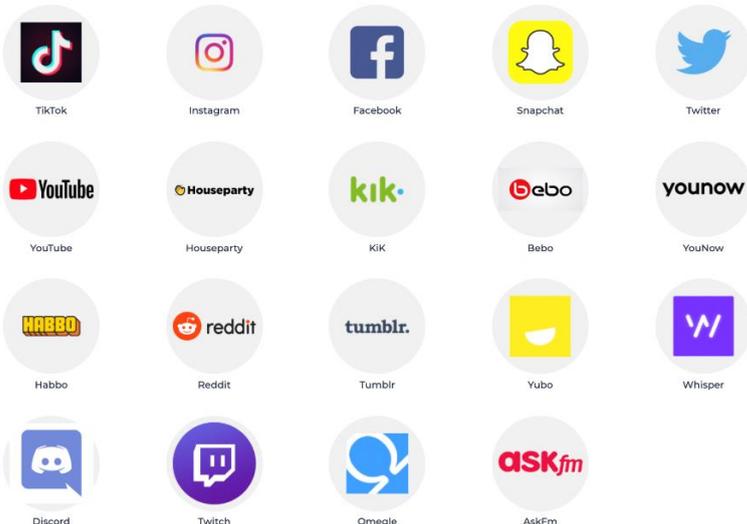

16 year olds and upwards

Not suitable for under 18 year olds

13 year olds and upwards

Stars of the Week

Congratulations to the following children who were chosen as the Star of the Week this week in our Merit Assembly:

Reception – Medina (RC) and Thomas (RP)

Year 1 – Aadam (1DT) and Ollie (1H)

Year 2 – Kayden (2JP) and Max (2S)

Year 3 – Louis (3KE) and Ruby (3N)

Year 4 – Kaspar (4C) and Swizz (4N)

Year 5 – Kevin (5K) and Byon (5W)

Year 6 – Max (6A) and Joe (6F)

Punctuality and Attendance

Please make sure that your children arrive at school on time for the start of the day. Our timetables are very full and every minute of the school day is important.

Punctuality and attendance are key to the success of your child's education, and good routines contribute significantly towards preparing your child for his or her future. Children who arrive late at school often;

- miss vital parts of the lesson, information and news
- disrupt the class when the lesson is underway
- find it embarrassing entering a class, once the lesson has started.

Personalised School Uniforms Labels

Stikins Labels are high-quality, permanent labels with your child's name. You can stick them on clothes, hats, shoes, water bottles, and more. No need to sew or iron. You can order at www.stikins.co.uk using the Heber voucher code 9323 so that we will receive 30% commission.

New Caterers and New Menu!

We are very pleased to announce that Caterlink has taken over our school meals service. The menu for the autumn term is below, and is also available on the school website via [this link](#). You can also read more about Caterlink's commitment to plastic reduction, fresh locally sourced food cooked from scratch, and reduced sugar desserts. They have faced some challenges at the start of term, as supply chain issues affecting deliveries mean that they are still waiting for their new equipment, but once they are fully up and running, we will be writing to parents again to confirm details of taster sessions and a full marketing launch of their service. In the meantime, we are enjoying their new recipes and hope that your children are too. We will be continuing to encourage children to experience new tastes and try new dishes.

Heber Autumn Menu 2021

-  Added Plant Power
-  Vegan
-  Wholemeal
