This Week in the Art Room

Issue number: 34 14th June 2019

Wow! What a STEAM week! We were all very 'hands on' this week where most discovered the ceramicist, Magdalane Odundo OBE. 1L looked at Odundo's incredible charcoal drawings of vessels before creating their own, in addition to making their own paint pigments, and exploring all different brush sizes. Years 2, 3 and 4 excitedly worked with two different types of clay to create their own mini vessels, responding to Odundo's beautiful forms. Thank you to Danika Pope (Kayden's mum in 4LJ) who visited all of Year 5 to share her career journey in becoming a successful surface designer and company director of Sand and Sushi. We rolled out the beautiful wallpapers Danika had brought in to further investigate such intricate designs! 6F took on the 'journey of a line' with electric tape. Illustrating the nonsense poem, 'Jabberwocky' by Lewis Carroll, as well as building on their prior Op art research, they created imaginative illustrations onto actual doors! So much going on, so many ideas! So much success! Go team Heber artists!

Music News

There's no let-up in the music department. After a fantastic and successful choir trip last week, we had a fantastic and successful jazz workshop this week. A dozen hand-picked musicians spent an afternoon creating, learning, honing and performing a jazz piece about the weather with a couple of guest music teachers. They read music while working as a team and learning how a conductor does their magic. With a rhythm section, singing accompaniment and musical backing, the children performed in front of Year 3 who were mesmerised by the jazz odyssey they were bearing witness to. We will be the only primary school to perform the piece at the concert in a few weeks.

Clean Air Day

On Thursday 20th June, Heber Primary School will be taking part in the Clean Air Day campaign to reduce the amount of air pollution around our school. The School Council would like children to walk, scoot or cycle to school on that day. Children will be learning about ways to improve our air quality and the impact of air pollution. Please support the cause by leaving your cars at home for the school run.

Healthy Schools Award

We are delighted to announce that Heber Primary School has been awarded the Bronze Healthy Schools Award. This award is to recognise the schools' dedication to promoting the health and wellbeing of our pupils. Thank you to Ms Bassett, who has been working with the School Council to promote health through continued work on sustainable travel. We are well on our way to the silver award, which we are aiming to achieve next year.

Weekly Music Awards

The following awards were announced in our weekly Merit Assembly.

KS1: Fred and Freddie are our Key Stage 1 Music Stars of the week this week. Their instrumental skills while reading music to perform our songs accurately were the icing on the cake after a great musical week for this pair. They have natural talent and will go far if they keep progressing like this.

Lower Key Stage 2: Helena and Zelig from 4E are our Lower Key Stage 2 Music Stars of the week this week. Their determination to learn our songs and perform them up to concert standard in our whole class orchestra did not go unnoticed, and their team work was particularly strong as well. They both have the natural discipline needed to be a member of an orchestra.

Upper Key Stage 2: In Upper Key Stage 2 it is Scarlett and Matilda of 5C who are the Music Stars of the week this week. Teaching all the classes in one week reminded us of children we aimed to reward previously but didn't have time to last term. Scarlett and Matilda deserve the award this week (and most others!) for their improvising skills, team work in a musical activity, progress in singing, and their enthusiasm for music.

Stars of the Week

Every Friday staff pick their Stars of the Week from each class. The children can earn this prestigious award for demonstrating one of our core values; Responsibility, Resilience and Thoughtfulness. Congratulations to the following children who were chosen as the Star of the Week in Merit Assembly this week:

Reception – Bridget (RE) and Joseph (RC)

Year 1 – Liam (1L) and Lamis (1H)

Year 2 – Callum (2A) and Maile (2B)

Year 3 – Inigo (3LP) and Jacob (3DP)

Year 4 – Kimora (4LJ) and Zelig (4E)

Year 5 – Erfan (5S) and Manuel (5C)

Year 6 – Ava (6F) and Harry (6K)

Class Assemblies

Summer

19th June – Reception C

26th June – 2L

3rd July – 3DP

10th July – 4E
