This Week in Art

Issue number: 25 22nd April 2022

What a joy to see all children immerse themselves so easily and happily back within their artist studio this week! Year 1's and 2's listened to a story about a square's happy accident. They then went onto practice their cutting of specific shapes and imprinting these within their sketchbook. Year 5 began their new art journey with crayon etching! Year 6 continued working on their mixed media pieces from last term. So excited about these! Year 3 began to portray the depths of the rainforest through colour mixing a range of greens! Do ask them about the different rainforest layers, since we came up with memorable voices and actions as tools to help us remember! I will report on Year 4's exciting junk model final outcomes next week!

Get Rid of and Donate

Following a really successful donations drive and after lots of Spring cleaning over the holidays, we are hoping to fill the 'Get Rid of and Donate' van again next Friday. Please bring along your donations in cardboard boxes or reusable bags. They will be distributed to members of our local community who are struggling financially and to support families fleeing Ukraine.

You will be able to load your items directly onto the van, which will be parked outside of the Crystal Palace Playground on Heber Road. The van will be there from 3:15pm on Friday 29th April ready and waiting!

Super, Sparkling Swimming!

This week in Year 3 and 4 we enjoyed our first week of swimming lessons, which we took part in every day. While some children were braving the pool for the first time ever, others enjoyed facing their fears in the deep end. In groups 2 and 3 children were especially excited to practice their diving skills, as well as improve their swimming technique. We have all made so much progress and have had a fantastic time!
