This Week in Art

Issue number: 19 25th February 2022

Years 1, 3 and 4 have started working on their portrait entries for the local Mother's Day competition ran by The Dulwich Trader and Tomlinsons. Whilst Years 2, 5 and 6 are focusing on different forms of sculpture, inspired by The Fourth Plinth School's awards. Year 2 and 5 have worked in plasticine this week whilst Year 6 have worked on developing their ideas through detailed drawing. They have all worked independently to channel their own ideas. I am really impressed with their courage and imagination (as always :-)).

Dealing with In-Game Bullying

With online gaming an increasingly popular activity among children, more of them are running the risk of experiencing unkind or unwelcome behaviour from their fellow gamers. Online bullying is an important part of pupils' online safety learning – but parents may sometimes feel powerless or unsure how to act if bullying takes place during their child's leisure time at home, doing something they would normally enjoy. For some useful tips and further information, have a read of Parent Zone's article:

[How to help your child deal with in-game bullying](#)
