This Week in Art

Issue number: 26 29th April 2022

It gives me so much delight to announce that our Year 1 children **WON** the DSWF Global Canvas Competition we entered at the start of this year! This is an international competition which promotes art and conservation of our beautiful world, and did I mention that Heber Year 1 children **WON** with their response to the beautiful, though diminishing, Mangroves! There were over 700 entries to the competition from 54 countries. The runner up schools were located in Portugal and Spain! We were particularly noted for our imaginative use of a wide range of materials. This has been massively facilitated by our wonderful "Aladdin's cave" of an Art room, as well as the fact I studied mixed media art (basically anything goes) on my BA! We are so proud of their incredible creativity, teamwork, "go for it" spirit and compassion to advocate at this young age, for our precious world and vulnerable animals. We celebrated watching the pre-recorded final where the film of them "in the making" was shared and celebrated. We also enjoyed watching the runners up as well as the older category winning entry. It is such an honour to have been selected amongst such inspiring competition! The children finished this special time with a drawing task tutorial led by a professional artist of animals, hosted as part of the competition final.

A slightly shortened version of this film has been shared on our [Twitter](#) account if you are able to watch to celebrate with us all! We are thrilled! Thank you for your support with any crazy materials requested along the way, it clearly helped!

Netball vs Goose Green

Heber Girls Smashed It!

In truth our Heber Year 6 girls are getting rather tall. The opponents, Goose Green, could be heard whispering 'they must be Year 7s or Year 8s.' I think this thought unnerved them and soon our rivals were losing 5-1 to our team. The opponents are fairly new to netball and struggled to match Heber's passing speed and shooting ability.

The match showed how much the girls have improved in one year. They were comfortably ahead throughout the match and this gave us the opportunity to use 5 different girls as shooters - Ruth, Esme, Parker, Lucia and Florence.

The final score was **13-5 to Heber**. To be fair the opposition improved greatly during the match and will be a much tougher challenge for the return leg when we go to their back yard (well, playground) in mid-May.
