This Week in the Art Room

I will not be providing any images for this newsletter, instead I leave you in suspense until next Friday, 12th July to come see all the work for yourselves at HEBER ARTS FEVER! Work from each child at Heber, from Years 1 - 6, will be on show. Expect to see all sorts of media from your very talented children, relating to their classroom topic. They have all worked really hard and I know you will be extremely proud of them when you see their work up on show in the Music Hall! It's going to be amazing! I really hope you can come and support the buzz. See poster below for all exciting information.

Music News

Perhaps London music concerts are like London buses; two come along at once! Our Summer Concert for the older children in the school was yesterday and what an effort the children showed. It was difficult to select just one performance for most year groups to show off their skills, especially with squeezing in bands and groups of children that have practiced various music skills and performances with various adults this year, and so we hope we showcased virtually all of the musical escapades the older Heber children have undertaken this year. A big, big thank you to Miss Bieber and Miss Dyer for their significant contributions to not only the concert but also the musical learning that went on this year. I know the children have valued you as highly as I have.

Coupled with this musical extravaganza, there was a second concert this week at Sydenham High School for a select band of high-achieving (and available!) musicians. Heber was the only primary school invited which filled us with pride, and our contingent included incredible musicians even as young as 7 years old. I mentioned the workshop for this a few weeks ago, and on Monday 1st July we performed both the full pieces alongside the Secondary School Orchestra. The crowd were wowed, and rightly so, well done all those who took part.

Stars of the Week

Every Friday staff pick their Stars of the Week from each class. The children can earn this prestigious award for demonstrating one of our core values; Responsibility, Resilience and Thoughtfulness. Congratulations to the following children who were chosen as the Star of the Week in Merit Assembly this week:

Reception – Santiago (RE) and Amir (RC)

Year 1 – At Minnis Bay

Year 2 – Thomas Clapham (2A) and Tess (2B)

Year 3 – Joe (3LP) and Max Lacey (3DP)

Year 4 – Laila (4LJ) and Mylo (4E)

Year 5 – Emerson (5S) and James (5C)

Year 6 – Maya (6F) Sam (6K)

A Message from the P&F Committee

Dear parents and carers,

We would like to thank everyone who volunteered, supported, and attended last weeks Heber Car Wash. A big thank you also to our generous sponsor Roy Brooks. The children had a fantastic time, customers drove away happy in beautifully clean cars, and the event managed to raise close to £700!

We would also like to invite you to our final P&F meeting of the year after drop off on Friday 12th July in the main hall. It's a chance for us all to have a quick review of what worked well this year and what didn't; to share ideas to take into next year; to say thank you to everyone who helped to make this year such a success, and to welcome anyone who might want to get involved in some way (big or small) next year.

It would be great to have as many people as possible who have been involved in any way this year to come along and share your experiences, and we welcome anyone new who would like to find out more about what we do. No commitment to next year required (unless you want to!).

We look forward to seeing you then.

Weekly Music Awards

The following awards were announced in our weekly Merit Assembly.

KS1: Our Key Stage 1 Music Star of the week is a boy who has shown consistent progress in music all year. He has developed his rhythmic and timing skills showing so much musical understanding, and his coordination has progressed extremely well for a Key Stage 1 musician. His reading of musical notation on the staff has also progressed incredibly quickly. All these things Thomas Clapham of 2A showed so masterfully in our lesson this week, cementing his position as Key Stage 1 Music Star

Lower Key Stage 2 and Upper Key Stage 2: There were far, far too many from our year 4, 5 and 6 Summer Concert to single out just a few for the Music awards this week, so the Key Stage 2 music award winners go to the children from the Weather or Knot concert at Sydenham High School; Max, Ariana and Malachi in 3DP, Lucia in 3LP, Moshoodat in 5S, Milo and Miami in 4E, Beth in 5C, Archy in 5S, William in 5C and Dulcie in 5S represented not only our school and its values to the letter, but also the values and attributes of a top musician, including patience, concentration, timing and awareness of others in the orchestra.
