2JP Become Engineers!

Issue number: 31 9th June 2022

In English we have just begun to read Andrea Beatty's Rosie Revere, Engineer. On Tuesday we travelled up to Tower Bridge to see some brilliant engineering in action! We took part in a range of tasks exercising both their Literacy and Design & Technology skills, and even completed a mission set by Rosie herself, to build our own bridges back at school using pulley systems, cogs and even a crank winch!

Jubilant Jubilee Celebrations

Friday 27th May saw Heber turn red white and blue! To mark the Queen's Platinum Jubilee the children took part in a variety of activities throughout the day. From learning more about the lady herself, to recreating her image in a Pop Art style, everyone had a great day. Highlights included: eating lunch in the playground with spontaneous dancing breaking out at various points throughout the meal, the brilliant crown parade (the children loved sharing their artistic flair) and of course the Great British Wreath Off! Thank you to the lovely Norma Skinner who was our judge, what a tough decision she had to make.

Online Safety Support for Parents and Carers

New interactive 4-7s website featuring Jessie & Friends

CEOP has launched a [new website for 4-7 year olds](#) and [accompanying guide](#) for parents and carers. The website is based on the three-episode [Jessie & Friends](#) animated series, which aims to equip 4-7 year olds with the knowledge, skills and confidence they need to stay safer online. It is intended to be used by 4-7 year olds alongside their parents and carers as a learning tool.

STEAM Week - Volunteers Needed!

During the week commencing Monday 4th July, we will be holding our annual STEAM Week in celebration of the importance of **Science, Technology, Engineering, Art and Maths**.

As part of the week we hope to invite members of our parent/carer community into school to talk to the children about their jobs, experiences or simply their interests in any of these fields.

Connecting children's learning with real life contexts is a powerful way to inspire and excite them about their futures, and what better way to do this than to take advantage of the wide ranging knowledge and expertise of our school community.

If you are connected in any way to any of the elements of STEAM Week as detailed above and would be interested in giving a short talk to children at the school, we would be very excited to hear from you. **Please register your interest by completing the form below.** We can then get in touch and help to support you with your visit.

Reminder of P&F Dates for the Diary

A NIGHT AT THE RACES – FRIDAY 17TH JUNE 2022, 7.30-11pm, Heber School

It's almost on us and £5 tickets are now on sale at <https://www.ticketsource.co.uk/heberpandf>

You'll have horses to bet on whilst you're supping on Pimms, prosecco or a pint (amongst other alcoholic and non-alcoholic beverage choices) and chowing down on the great delicious food choices you've grown accustomed to at Heber school events!

Feel free to don a dress or hat if you fancy, or pitch up in your jeans. Anything goes at Heber Race Night!

All the joy of Ascot on your doorstep!

****NEW DATE** FOR JUNE COFFEE MORNING – FRIDAY 24TH JUNE 2022, 9-10.30am, Heber School**

You know the drill. Coffee, cake and chat! Younger children very welcome. Thought we'd try a Friday to mix things up and hopefully entice some extra Heber parents/carers!

HEBER PUB NIGHT – THURSDAY 7TH JULY 2022 – 8PM – LATE, Heber School

You asked for it. A pub night at the school. Have a drink, have a bite to eat and have a laugh. Simple!

2022 SUMMER FAIR EXTRAORDINAIRE – SATURDAY 16TH JULY

Just think of the fun you had at the Christmas Fair and Easter Fair mixed in with some sunshine, Heber choir, parents/teachers band and Pimms. It's a winning formula! You definitely don't want to miss it. More information coming soon!
