## This Week in the Art Room

Welcome back artists! We have focused this week on creating our Mother's Day Portrait Competition entries, which will be judged by local artist, Julie Bennett. Last year we had lots of success, and with these works, I am sure you will agree, we should do once more!

Each class were guided through ways of how to really "look" at the face within their sketchbook, before exploring different processes to create a portrait of their mother or of another significant person to them. Work on show is by:

Artur, Hayden, Reuben and Alex in Year 6

Swizz and Rudi in Year 2

Dana and Alice in Year 3

Miami and Tyrell in Year 5

Issue number: 21 28<sup>th</sup> February 2020

## Year 4 Visit to Tate Britain

The whole of Year 4 visited themselves in the Tate Britain this week. Their class photographs, amongst many hundreds of London Year 3 classes were the artwork, in the highly anticipated, Tate 3 Project, conceived by artist and film maker, Steve McQueen. The children also participated in performance art to empower them within the space where they became the artwork, amidst their photographs, in addition to exploring the rest of this prestigious gallery.

*"When we got to Tate Britain, and I saw the class photographs, I was surprised because it all looked so colourful and couldn't believe how many photographs there were that covered all of the tall, grand marble walls of the Duveen Galleries. It all looked so fancy! I didn't think the work would be so spaced out! We couldn't believe how much we had changed when we saw ourselves in the class photographs."* Ruth Elias and Jacob Daniels

*"I really enjoyed when we worked altogether as a Year group to stretch all of our bodies out from one end of the gallery to the other end, whilst holding hands and stretching!!"* Florence Phillips

*"I enjoyed exploring the rest of the gallery. There was this one painting which most captured my eye, of a man jumping into the pool, "Splash!" by David Hockney. I really liked the holiday feel of this and made me want to be there! It was so big!"* Ariana Chemirmir

## Vitality Big Half

The big day is finally here for our 'Big Half' team, which is made up of staff, parents, ex parents and friends of Heber. There has been a fantastic effort to raise money for the new computing suite and we are close to our Vitality Big Half target. A huge thank you to everyone who has donated. If you would like to help us boost our fundraising efforts, the link is still live.

Good luck team!

## Weekly Music Awards

The following awards were announced in our weekly Merit Assembly.

**Key Stage 1:** Talk about being quick off the blocks! Laszlo from 2B started his Spring music learning with eager interest, focus, and showing and building upon prior learning. His attitude and endeavour earns him this week's Key Stage 1 music star of the week.

**Lower Key Stage 2:** When learning to read using musical symbols for rhythm, Sofia Clarke in 3P showed particular skill. She was able to draw upon her prior knowledge from last year to enable her to succeed in her musical learning challenges. Therefore, she is our Lower Key Stage 2 music star of the week.

**Upper Key Stage 2:** Our Upper Key Stage 2 music star of the week is Ossia in 5C. He showed particular strengths in team work during a group learning activity, great progress in his musical understanding, and confidence and resilience to succeed.

## A Message from the Mr Treen

Let me introduce you to someone: our choir leader and music specialist, Elliot Pritchard. Elliot joined us mid-way through last half term and has already made a great impact on the overall quality of singing at our singing assemblies as well as the pop and performance choirs. Elliot comes from a musical background, both vocally and instrumentally, and is performing regularly (yesterday, for example!) whenever he gets the opportunity. Moreover, he is a lovely chap, so please chat to him if you see him around school!
