**Caterlink is an award-winning food service provider catering for primary schools across the country.**

We are passionate about providing your children with freshly prepared school lunches that are true to our fresh food heritage. All our menus are nutritionally analysed to ensure they meet and, in most cases, exceed The School Food Standards by our nutrition team. We are committed to constantly reviewing our menus and recipes to ensure they are healthy. We have reduced sugar in our desserts to below the 6.5g recommendations by Public Health England and have been recognised as leading the way by SUGAR SMART UK. We have also introduced a number of plant-based recipes to our menus and meat free days to support the sustainability aspects of our offer.

## ALLERGY INFORMATION:

If your child has an allergy or intolerance, please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance, you will be asked to complete a form to ensure we have the necessary information to cater for your child, this can be downloaded from our web site <https://caterlinkltd.co.uk/school/caterlink-primary-division>. We use a large variety of ingredients in the preparation of our meals and due to the nature of our kitchens it is not possible to completely remove the risk of cross-contamination.
