

Welcome to Heber Nursery

In September, I will be going to Heber Nursery at Heber Primary School.

My teacher will be Miss Cristina.

Karen and Tina are my Early Years practitioners and they are also going to help me in my class.

This is the inside of my Nursery. I will have my own name card.

This is the inside of my classroom where I can play.

I can play outside with lots of different things.

I can learn how to climb safely on the climbing frame.

I can play in the mud kitchen.

I can play in the big sandpit.

This is where I will hang up my coat.

This is where I can go to the toilet and wash my hands.
